

Press release

**Alessandro Catani appointed new Managing Director of Alfaco,
CAREL company in Poland**

Brugine, 17 April 2026 – In December 2025, Alessandro Catani was appointed Managing Director of Alfaco – CAREL Poland, the Polish company of the Group.

Catani joins CAREL following extensive **international experience in the financial and industrial sectors**, gained across Italy and Poland. Throughout his career, he has held positions of increasing responsibility, leading complex organisations and contributing to the development of major manufacturing businesses. Prior to joining CAREL, he served as General Manager of Steel.s Poland, as well as holding senior management roles at Colorobbia Polska for over ten years. His experience combines strong industrial management expertise with an earlier career in the banking sector.

Catani's appointment is part of the CAREL Group's strategy to **strengthen its presence in the Polish market** and further consolidate its local organisational structure in order to support future growth opportunities and challenges.

"The Polish market is a strategic and dynamic environment for CAREL, where we intend to continue investing in order to be ever closer to our customers. We are confident that Alessandro's international experience and leadership capabilities will help strengthen Alfaco – CAREL Poland's role in the region and effectively support the needs of the local market," commented **Carlo Vanin, Group Chief HR & Organisation Officer**.

Company Profile

CAREL is one of the world's leading manufacturers of control solutions for air conditioning, refrigeration and heating, as well as systems designed to improve indoor air quality. We design our products to deliver energy savings and reduce environmental impact, combining advanced technologies with customised services aimed at optimising the performance of units and systems. Our solutions are applied across commercial, industrial and residential sectors. Founded in 1973, CAREL employs more than 2,500 people. In 2025 the Group reported consolidated revenues of €629 million and operates through 47 subsidiaries and 15 owned production facilities.
